COLLEGE APPS

Seniors have been working hard on their college applications. For those seniors who have not submitted college applications, they need to be working on their applications as soon as possible. The ideal target date for submitting college applications is November 1st. If a college has not already accepted students for next fall, they will begin doing so very soon. The longer seniors procrastinate; the less opportunity they will have!

Plus, seniors need to notify the High School Counseling Office when they receive acceptance notification. The “What’s Next ?” Board is available for posting acceptance.

PARENT / TEACHER CONFERENCES

Parent / Teacher conferences will be held from 10:00 AM to 6:00 PM on Thursday, October 24th. This is a great opportunity for parents to meet their child’s teachers and discuss any existing concerns.
