

College Leaders Scholarship from Farm Credit Mid-America

We're excited to host the College Leaders Scholarship Program in 2019. This program awards \$5,000 in scholarship support over a two year period. It has built in leadership and financial development workshops as well.

We're looking for the next generation of leaders – leaders who want to make a difference in the field of agriculture - to be members of our 2019 College Leaders Scholarship Class. Although not a requirement, the typical candidate will be entering their sophomore or junior years of college in the fall of 2019.

If you know someone who is majoring in agriculture or pursuing an agricultural related career, the application can be found on our website - click here <http://e-farmcredit.com/scholarships/college-leaders-scholarship>.

Deadline to apply is November 30.

Over the last decade, Farm Credit Mid-America has awarded more than \$2 million in financial and educational support to deserving students pursuing careers that promote agriculture. We are very appreciative of your support to help us grow the impact this scholarship can make on the next generation of agricultural leaders.

I'm happy to visit with anyone who has questions about the scholarship program. They may email or call (randy.barbee@e-farmcredit.com; 502-420-3756).

College Leaders Scholarship Eligibility:

- Scholarships are available for individuals majoring in agriculture or pursuing agricultural or rural community related careers.
- The online application process takes between 10-30 minutes and must be completed in one sitting.
- Only online applications will be accepted.
 - College Leaders Scholarship application deadline is November 30, 2018. Applicants will be notified of the results in February 2019.
- Scholarship funds will be awarded starting in the fall of 2019.
- Employees and directors of Farm Credit Mid-America and their children are not eligible to apply.
