Amazon Future Engineer Scholarship

Our Amazon Future Engineer Scholarship program is built to provide high school seniors like you with a $40,000 scholarship and a paid internship at Amazon following their freshman year of college.

And no, you don't have to be a software superstar to apply!

This opportunity is for you if you...

- Are a high school senior enrolled in computer science related courses or have some experience of computer science education

- Are planning to pursue a computer science related degree at a four-year college

- Have work authorization in the United States for at least two years

If this sounds like you, then we want you to apply! You could be one of 100 students chosen to receive this opportunity to develop a brighter future after high school—there's only one way to find out. Tap below to learn more about how you can apply.

Application deadline: January 25th, 2022 at 3:00 PM Central Time.
